INTRODUCTION

Vinnex Investment Services Limited, an indigenous Marine, Energy, and Petroleum Services company, has a mission to emerge as a premier provider of bunker and other marine-related services. The primary focus revolves around supplying bunkers to all seafaring vessels and tankers. Additionally, the company extends its services to offer logistics support to ships, ship-owners, enterprises, and organizations globally.

Vinnex Vital Services, a subsidiary of VINNEX Investment SERVICES (referred to as "VISL"), is a relatively new entity. Despite its nascent status, strategic partnerships have propelled VISL's capacity for delivering quality services in the marine and energy/petroleum (E&P) industry, fostering rapid growth. The management team at VISL comprises a blend of domestic and foreign experts with diverse industrial expertise. The company's highly trained professional staff, numbering 44 and boasting a collective experience of over 24 years, continues to expand.

The company's focus lies in providing products and services structured to meet diverse company and shipping needs. These include Marine Services, Diesel Bunker Supply, Supply Chain Management (SCM), Fresh Water Supply, Ship Store Supply, Ship-to-Ship Operations (STS), Deck Store Supply, and Marine Security Services. VISL remains committed to excellence in the provision of comprehensive solutions for the maritime and energy sectors.

MISSION STATEMENT

Our mission is to be the vanguard of maritime services, ensuring the success of our clients through innovative, sustainable, and secure solutions.

Our business focus is to deliver bunkers and various marine-related services to a diverse range of ships, encompassing dry/wet cargo, import and export vessels, and any other seafaring crafts development in the industry.

Our commitment extends to ensuring safe, efficient, and responsible operations, aligning seamlessly with industry regulations that promote sustainable development within the maritime sector.

To do this therefore emphasis is laid on:

- i. The protection of its human resources.
- ii. Other persons that may be impacted by its operations.
- iii. The environment within which it operates.

OBJECTIVES

1. Excellence:

- Committed to delivering excellence in every service, setting industry benchmarks for quality and reliability.

2. Safety First:

- Prioritizing the safety of personnel, vessels, and cargo, VISL adheres to the strictest safety standards and invests in continuous training and technology.

3. Environmental Responsibility:

- Actively pursuing environmentally friendly practices, VISL supports the use of sustainable fuels and contributes to initiatives for a greener maritime industry.

4. Innovation:

- Embracing innovation is at the core of VISL's operations. We invest in advanced technologies to enhance efficiency, reduce environmental impact, and provide clients with cutting-edge services.

SERVICES

VISL is focused on products and services that have been structured to meet every one of your company's/shipping needs such as the following:

1. Diesel Bunker Supply:

- VISL guarantees a reliable and compliant supply of marine diesel fuels, meeting the stringent standards of the industry. Our commitment to quality ensures optimal performance and environmental responsibility.

2. Supply Chain Management (SCM):

- Leveraging cutting-edge technology, VISL optimizes supply chain processes for efficiency and cost-effectiveness. Our SCM services cover the entire logistics spectrum, ensuring seamless operations for our clients.

3. Fresh Water Supply:

- VISL provides timely and quality fresh water supply to vessels, contributing to the well-being of the crew and supporting operational needs.

4. Ship Store Supply:

- Our ship store supply service offers a comprehensive range of provisions, from safety gear to daily consumables. VISL is the trusted partner for all vessel-related operational requirements.

5. Ship-to-Ship Operations:

- Facilitating safe and efficient ship-to-ship transfer operations, VISL ensures compliance with international regulations, enabling vessels to transfer fuel or cargo at sea with confidence.

6. Deck Store Supply:

- VISL supports seamless vessel functioning by providing a diverse array of deck store supplies, including navigational equipment, safety gear, and maintenance tools.

7. Marine Security Services:

- Security is paramount in maritime operations. VISL's dedicated team offers comprehensive marine security services, safeguarding vessels and personnel against potential threats, piracy, and unauthorized access.

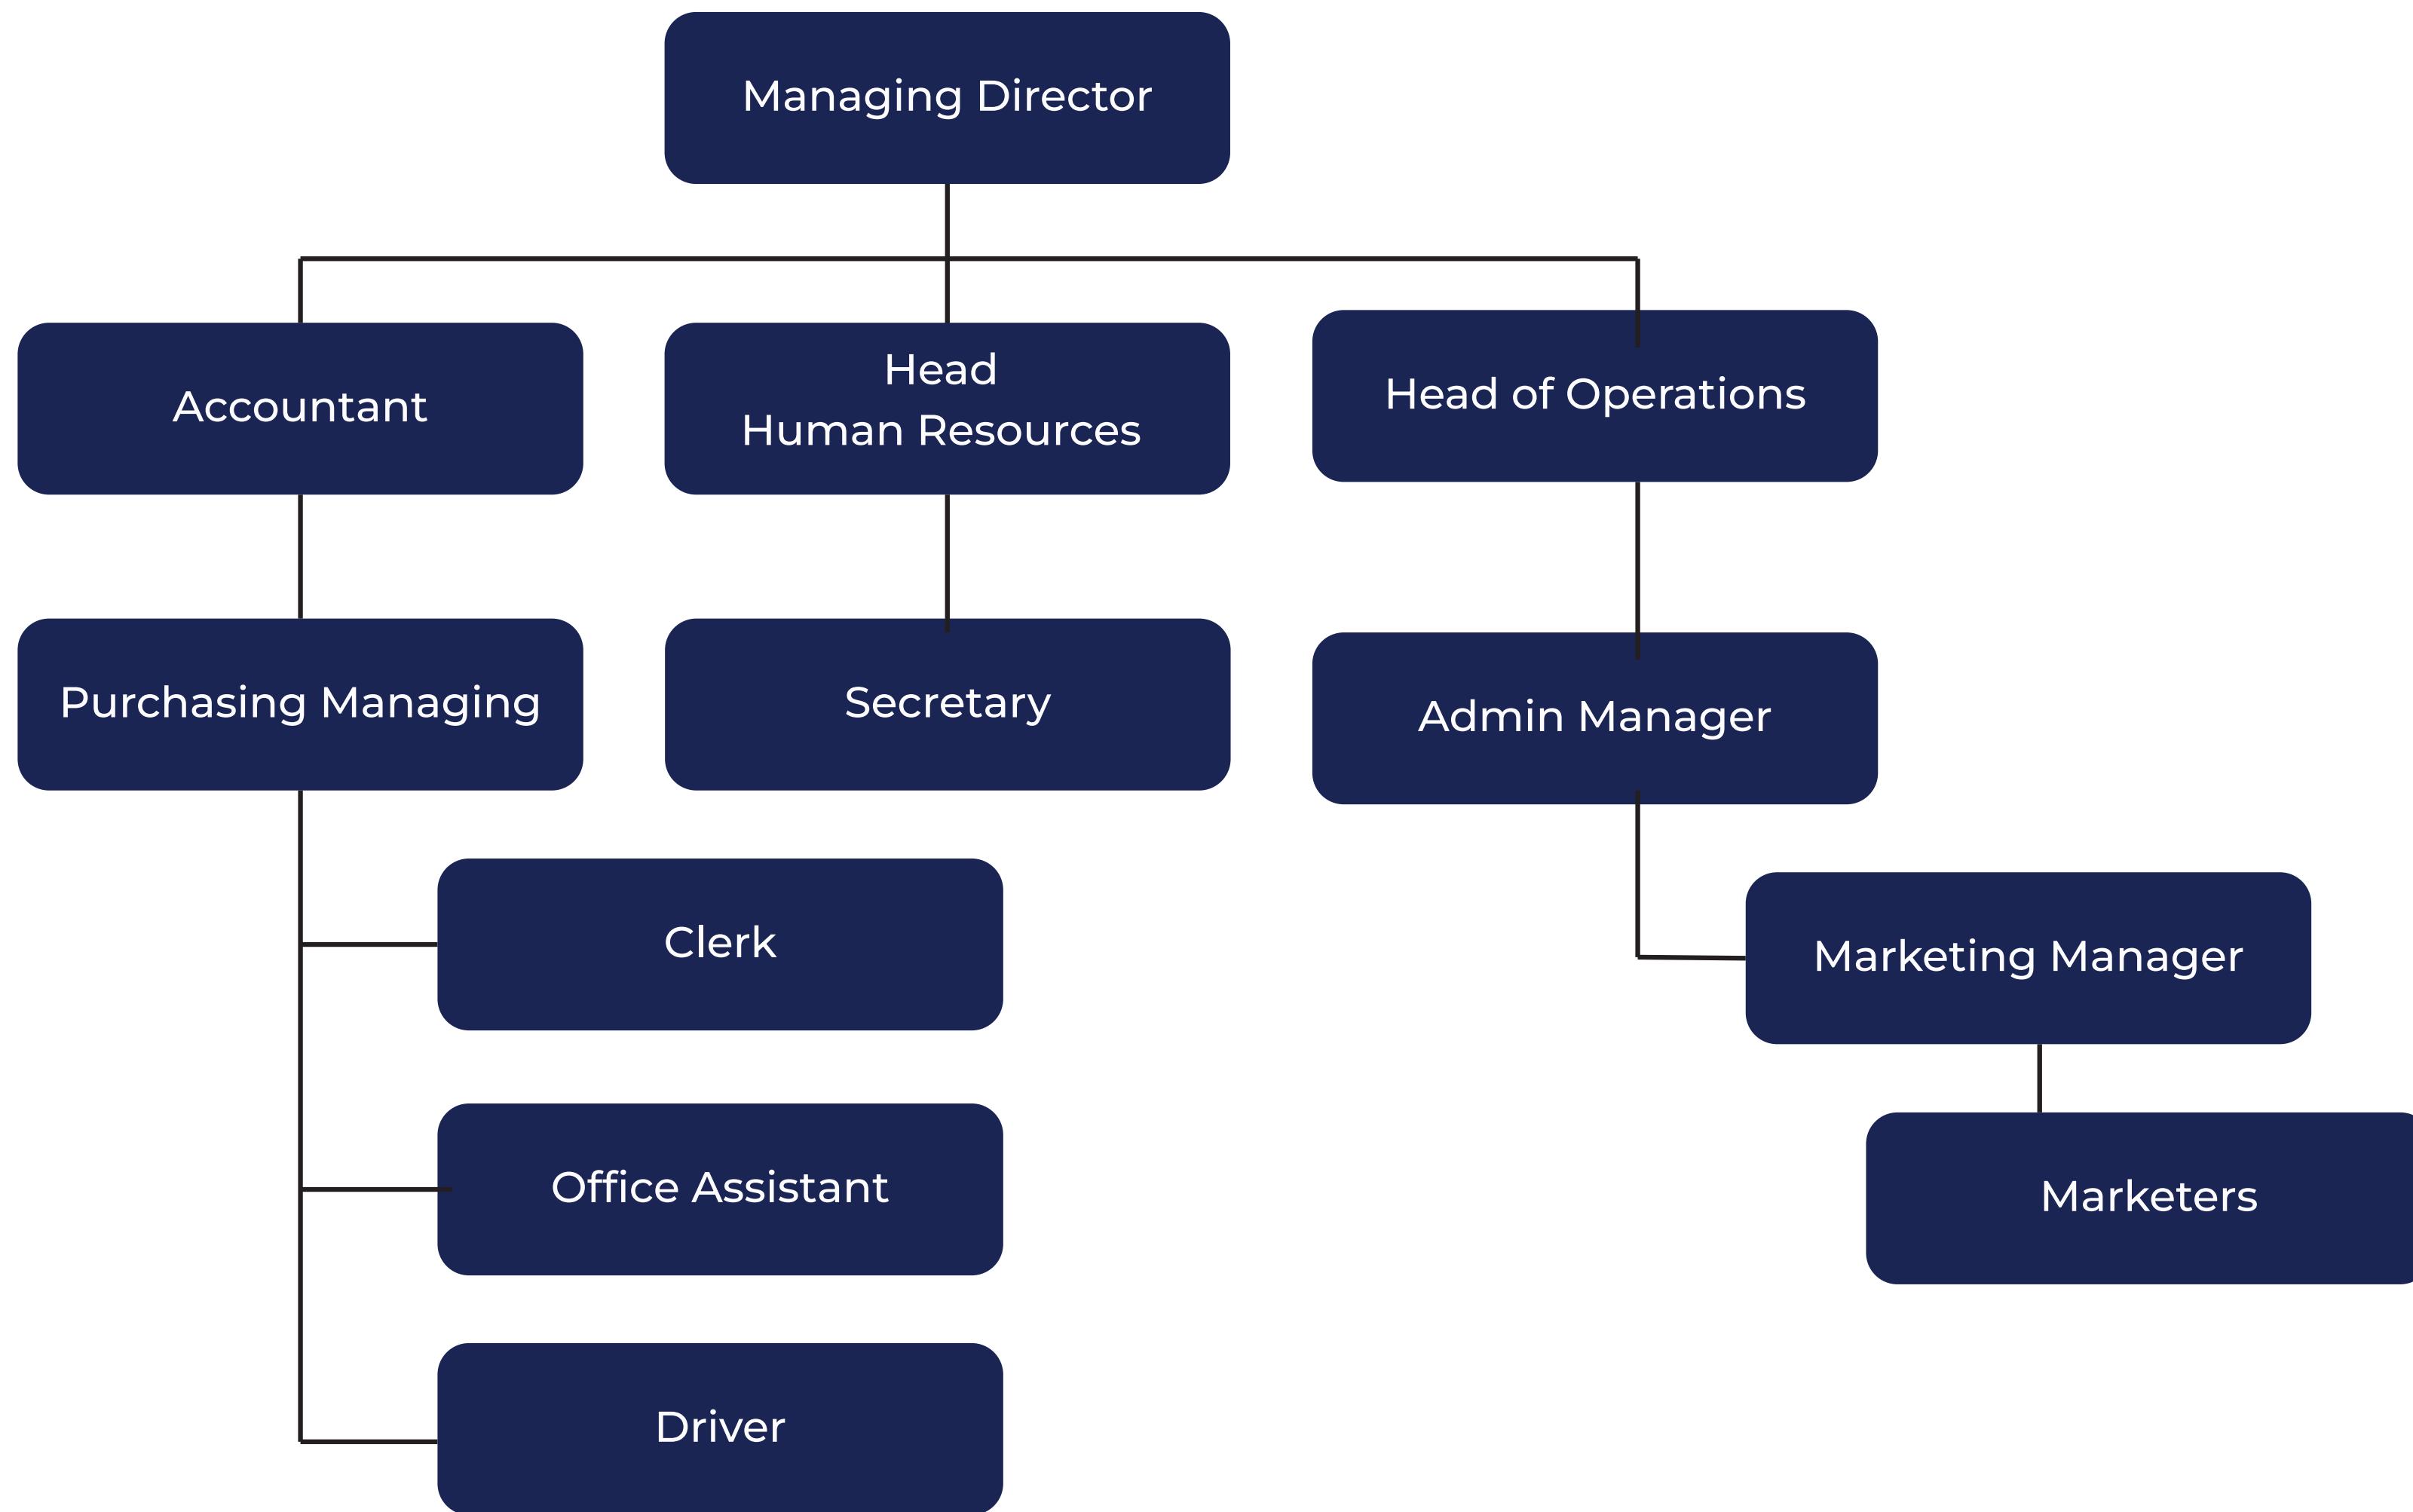

BOARD OF DIRECTORS

VINNEX INVESTMENT SERVICES LIMITED is at the verge of expansion. Incorporated barely two years ago, the company has attained such an enviable feat under the sole management of its managing director and chief executive officer in collaboration with his well trained administrative staff and technicians. We would as a matter of identity and propriety make reference to persons and organizations with whom we have working relationships. They have actually been responsible for our motivation, resourcefulness and zest which have translated into the company's growth, resilience and prominence.

Chairman/CEO	High Chief Iyadua V. Igietemho
Director	Mrs Blessing O. Igietemho
Director	Mr. Christopher Oshoke I.
